

RUNNING FOR TREASURER

Daniel Jones

I write this to apply for the position of Treasurer for KOTESOL's Busan-Gyeongnam branch. I have been a member of KOTESOL for several years and have served as Busan chapter's secretary, Busan chapter's treasurer, as well as the Financial Affairs Chair for KOTESOL at large. I have also presented at several conferences on teaching and also basic financial well-being. For full disclosure, I have no formal education in accounting, but I do have experience managing funds for family members as well as myself. I look forward to continuing my work as the chapter's treasurer.

RUNNING FOR
PRESIDENT

Anika Casem

I am running for the position of Busan-Gyeongnam Chapter President. I have been a member of TESOL off and on through the years. More recently, I have become more involved. I have presented for and volunteered at several conferences, co-chaired KOTESOL's 2021 National Conference, served as our chapter's membership officer, and have been our chapter's president for two years. I would like to continue to help offer opportunities to other teachers to take leadership roles, improve and polish professional skills, and network and socialize.
