How to use 3D Virtual Conference Platform

You can access the virtual platform with the links below.

www.asiatefl2020.org/
asiatefl2020.mwnetworks.co.kr
How to Log-in

Your login information will be sent to you before the conference!

ID  : the email address you used when you registered

PW   : the 9-digit number sent to you from AsiaTEFL

• Please do not change your password. Revision process may be very delayed.
• Once you log in, you do not need to enter your ID and password again.
Please watch the welcome video and complete the required information and verification of training (for teachers) in ‘My Page’.

★ important!
If you tap the screen at the center, you will see a list of invited sessions. Presentations of invited sessions will be made synchronously on schedule.

★ You can freely watch the presentations again and again after the conference for one month.
Paper Sessions

This is the place where you can participate in concurrent sessions. You can watch the presentations and ask questions during the scheduled time.

★ You can freely watch the presentations again and again after the conference for one month.
Poster Sessions

Posters are on display.
Tap the screen at the center to watch the e-posters!

★ You can freely watch the presentations again and again after the conference for one month.
AsiaTEFL 2020 Lounge

This is a lounge where you can use 1:1 Meetings that you can chat with attendees. If you enter Group Chat, you can also make video calls with several participants.
COVID-19 cannot stop you having fun in Korea! You can tour Seoul online at Korea Booth! Check out the brochures and meet Seoul Online!
You can visit Seoul through the video! Tap the screen in the center to meet Central Seoul.
There are fun events prepared by AsiaTEFL! Check the information about the Stamp Tour and Lucky Draw at the Korea Booth!
How to use Conference App

• Visit Google Play or Apple AppStore.
• Download the Aventri Events app.
• Type in the 2020 AsiaTEFL Access Code: 215558
• Enter the email address and the 9-digit number sent to you as your password. (Same as for the virtual conference platform)
• When you log in, please click on the INFO icon and read the content first.
You can check the program schedule and presentation information here.

If you tap on the presentation title, you can see the abstract and the speaker’s biodata.
If you mark the presentation, you can collect the presentations you marked in ‘My agenda’.

And you can also add a presentation schedule to your mobile phone calendar.
You can see at a glance who is presenting at this conference!

You can also check the biodata and presentation information of the presenters.
My Profile

You can check your information and set your interests and status.

This information can be seen by other participants, and they can contact you based on it!

Make friends at AsiaTEFL 2020!
My profile

Enter the research topics you are interested in and enter your current status for networking!
Attendees
