GLOBAL PARTNER REGISTRATION DISCOUNT

IAFOR currently has over 30 partner and affiliate institutions that assist in shaping and developing our events, as well as in maintaining and growing our reputation as an innovative academic platform. Our Global Partners actively contribute to programme development at conferences, showcase their research via presentations and publications and promote IAFOR's events around the world.

As members of an IAFOR Global Partner institution, members of KOTESOL are invited to participate in IAFOR's international, intercultural and interdisciplinary conversation by taking advantage of our special Global Partner discount. Use the code below when registering for any IAFOR conference around the world and receive 30% off your conference registration fees.
