

Bryan Hale for President  
Endorser – Lucinda Estrada  
September 2021

Election Committee,

Bryan Hale has led KOTESOL through the difficult year behind us. He has fostered relationships with other organizations, wisely moderated disputes and budgetary issues, and competently encouraged and installed new methods of communication and interaction between our members and chapters during a time when our traditional methods were impossible to continue. I have no doubt that he is the best choice to continue in his current position as President of KOTESOL.

I have known Bryan in one way or another since I first joined KOTESOL in 2017. He has always presented himself with professionalism and kindness. His willingness to help others, his experience in teaching, and his knowledge of all things KOTESOL make him an ideal fit for the role of National President. He has both the talent and passion to lead KOTESOL through the third year of COVID.

Bryan has served his Chapter and the National with earnestness and skill in multiple positions. It is my pleasure to nominate him for this position. I am sure he would do well, and that KOTESOL would flourish under his influence.

Sincerely,

Lucinda Estrada

Former Seoul Chapter President

2nd Vice President

KOTESOL Member: 2017 - Present

Employer: Soonchunhyang University
