

Hello,

This is an endorsement supporting Mike Peacock's nomination for Nominations and Elections chair for KOTESOL.

I have known Mike Peacock for almost four years, during which time we have served on the executive committee for the Daejeon-Chuncheong chapter together. During that time Mike has served the committee in an exemplary fashion as both vice-president and president. His commitment to the chapter and to KOTESOL is a major reason for the success of our local group and I understand this success has been mirrored by his work at the national executive level. For this reason I would like to strongly endorse his nomination as Nominations and Elections chair in the upcoming elections.

Please do not hesitate to contact me if you need further information.

Sincerely,

Andrew Griffiths

Teacher Training Instructor, DMOE
