

## Letter of Support

Christopher Miller  
for  
Korea TESOL National Secretary

September 22, 2016

To the KOTESOL Nominations and Elections Committee:

I have known Christopher Miller for over four years; during all of this time, he has been an quite active member of KOTESOL – both on the chapter and national levels.

In his various positions on the Busan-Gyeongnam Chapter executive, especially as President, Chris has contributed to the development of the chapter's activities and membership. At present, he is doing a commendable job as Treasurer for the Seoul Chapter.

At the National level, Chris has stepped up to the challenge when the National Council was in need of filling a vacancy in the chair position of the Publicity Committee. A year later, when a vacancy in the chair position of the Research Committee occurred, Chris stepped forward to fill it. And in doing so, he elevated the activity of the committee beyond their previous level.

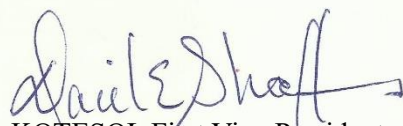

However, my closest association with Chris within KOTESOL has been through the Publications Committee. Chris served as Associate Editor of *The English Connection* (TEC) for two years, and during that time, one of his very important duties was the recruitment of quality articles for the magazine. During this time, TEC went from having a hard time finding enough quality articles to fill the pages of TEC to having a surplus of interesting quality contributions. For this, the credit goes to Chris.

Recently, Chris has become increasingly active in submitting to and having his academic works accepted to KOTESOL's academic publications.

Additionally, the position of Secretary requires that the Secretary not only record the minutes of KOTESOL National Council meetings but to also keep an archive of our extensive collection of these documents. His experience in his administrative position at his school, as Head Teacher of NEST Staff, will also be helpful in his secretarial duties.

Due to Chris Miller's broad experience with and demonstrated dedication to KOTESOL, I submit this letter of support for Chris for the position of KOTESOL National Secretary.

Sincerely,

KOTESOL First Vice-President  
Publications Committee Chair  
358 Chungang-ro, Dong-gu
