

Endorsement of Lisa MacIntyre-Park for KOTESOL National Secretary

I'm writing to endorse Lisa MacIntyre-Park for the position of KOTESOL National Secretary. I've gotten to know Lisa over the summer as we worked together on a video project for the 2021 KOTESOL Film Festival and National Conference. Throughout our time working together, Lisa was a valuable member of the team. She attended meetings faithfully and communicated effectively by promptly responding to messages, proactively clarifying expectations, and helpfully contributing suggestions. Lisa already has experience in the position of National Secretary, and I believe this background along with her enthusiasm, reliability, and communication skills will make her an effective National Secretary for the 2021-2022 term.
